

Roll My Stone

Written by Joshua Luke Smith | Even Now Album

Recorded Key: E

Chorus:

1 **5/7** **6**
Father, Father won't You roll my stone away,
4 **1**
Father won't You roll my stone
1 **5/7** **6**
Father, I just want to come back home again,
4 **1**
I just want to come back home

Verse 1:

6 **4** **1**
I spent so long learning to be strong
6 **4** **1**
Only to find, what I wanted all along
5
Was to be like a child again,
4
To see like a child again,
5
To be as free as a child again,
4
Oh to dream like a child again

Verse 2:

I spent so long, learning to stand tall
Only to find, what would happen when I fall
Into Your arms again,
I'm learning to laugh again,
I put the world on my shoulders but,
I'll put it back in Your palms again

Bridge:

6 **4**
I don't wanna play the game anymore
6 **4** **1**
Where I live everyday like I'm earning a score
6 **4** **1**
I just wanna know and learn for sure
5 **4**
That I'm loved by You, and I can trust in You
